
Good Vibes

Posted by glaive - 2006/11/09 20:09

Hello,

Of late there has been a lot of negativity and foul language on the forum. I'd like to keep this place rated G and family-friendly, so please, everyone, make an effort to think about what you are saying.

I don't want to regulate, mandate, or otherwise enforce anything. Let us simply continue to function as a positive, supportive community dedicated to our beloved Elektron gear.

Thank you,
Scott Kellogg
Founder, elektron-users.com
