Might be useful for some.

<http://cl516.blogspot.com/2011/09/round-robin-tape-tr-909-samples.html>

456 mono wav files, 8 hits each, about 3600 hits. 24 bit 44.1 khz.

Recorded to tape first, then to digital at 24/96, then SRC.

hope y'all like it.
