Hey.. so, I am beginning to assemble a new soundbank with oneshots and loops, so I will be posting some demo sounds as it progresses, take a listen to the first samples, which is of course free to use... feedback is very welcome..

13 kicks - <http://soundcloud.com/fuad-von-loop/sets/audiolog-sound-design/>

8 snares and claps - <http://soundcloud.com/fuad-von-loop/sets/audiolog-sound-design-1/>

10 cymbals - <http://soundcloud.com/fuad-von-loop/sets/audiolog-sound-design-2/>

I hope you like it

Really nice kicks 02-09-11-13 !!

snare 07

and all the closed cymbals (i dont like a lot the open ones in general)

nice Techno also!

Greets
