## A monomachine patch Synth Randomizer

Posted by humankoala - 2007/06/10 19:42

---

the pure data patch

download pd

the soft pure data

, open the patch with it, in midi settings choose your midi interface.

the checkboxes are the parameters you want to randomize, and click the red button to randomize.

you can fine tuning the settings with the sliders <http://humankoala.com/PureData/image1mm1.png>

more to come...
