Was there an earthquake? Full moon? Solar flares? Eclipse? Hackers? Y2k? Alien invasion? Radio interference? Erotic interrogation? Terrorism!!? wtf! :ohmy:

Why is EU so slow/non responsive the last few days. I pray it isn't just this that can bring EU as we know it to it's knees:

What if something "actually" happened, then where would we be!?

I sure hope this is not the end of things as we know it..
... unless it is the beginning to things we could never have imagined!

.....

bring on the new dawn?
