
Can't delete my file

Posted by glitched - 2007/09/13 05:05

I can't delete my song. Can we add this ability to the site?
Or can you delete this one? I don't care for it.

Thanks!

The new site that's currently underdevelopment has the ability for users to edit and completely maintain their own files....working on it glitched. stay tuned!
