
Giorgio Moroder MnM

Posted by GiuseppeMagnatti - 2013/04/18 17:31

Hello !

Yesterday night I was watching an interview made to Giorgio Moroder....

I made a research and i listened most of his tracks...

I was wondering if some of you ever try to create your MnM, some of the great sound and melodies that Giorgio use for his masterpieces !!!

I am sure that he was using arpeggio in some of his tracks

Thanks
