Day in and day out I click the elektronauts.com link and it is not ready.  Is this going to happen?

Cheers,
B

No hurry, but we've only got until December 21st this year as my avatar shows.

:(

:(

well at least then you'll be able to stop checking elektronauts.com day in and day out.

every cloud has a silver lining.

Any updates on Elektronauts going active?

Spam bots are devouring this site :S :ohmy: :blink:

Ouch.

Cheers for the update Nils, and sustained efforts in the spam deletion.

I think you'll find that's 'sauce'...

For goodness stake, I will relish the day they've mustard up enough strength to ketchup with the work on this new forum. In all seriousness it has bean going on to long, and unless the new forum comes around soon Ill be so angry Ill get a mussel strain.
