Saw the Los Angeles music buddy post blowing up, and I miss making music with people, as much fun as it is to have everything you need in your living room..... I like getting together with people and sharing ideas. Anyone around the Boston area, or if not New Hampshire, Maine, Rhode Island, Conn??? any place thats within like 40-50 min???

Do you have a car??? I got into an accident a few months ago, and while i got the money ive just been so friggin busy i havent realy looked for amything yet, but if you can get around we can totally rock out..... shoot me an email, [ghostwood.estates.music@gmail.com](mailto:ghostwood.estates.music@gmail.com)... ill send you a pic of my setup, you can compare it to what you have and maybe we can work on some ideas together. Have a great night dude.
