
Embarrassing Record Player Question

Posted by fourth ring - 2013/08/16 04:51

:unsure: I have this record player:

<http://www.flickr.com/photos/taiwanjohn/9516862447/>

I am trying to repair it but am not sure what I need at the end of the arm aside from a cartridge.
This is a Pioneer PL-12D.

I also just bought a belt because the turntable doesn't even turn when plugged in and switched on.

Thanks!
