
NYC Show 8/23

Posted by Jamrod - 2013/08/23 02:41

Hey all,

Just wanted to let any NYC folks know that I'm playing an Ink Jet show tomorrow night, Friday 8/23.

The show is at the Way Station, a bar in Brooklyn. I go on at 11pm. <http://waystationbk.blogspot.com/>

Most of my set will be Octatrack-based material from the Grandma Tapes EP I put out a couple months back (inkjetmusic.com/grandma-tapes). I'll also be doing a couple of electronified folk/country covers on Octa+A4. Should be fun! I'll try to get a recording too. Hope to see some of you there!
