## question for tempest users Posted by vern - 2013/08/23 03:08

What happened to the dsi tempest forum which had the OS updates? It does not work anymore and i am wondering if he is done updating the OS...

## Re:question for tempest users Posted by Signifier - 2013/08/23 03:48

It's still up. The forum server seems to go down fairly frequently. Latest Beta there OS is 1.3.0.6
