## Visiting San Diego

Posted by Sprankles - 2013/08/30 08:53

---

I'll be spending 9/18 and 9/19 in San Diego on the tail end of a work trip (booked a few extra days to enjoy the city/weather, etc). I don't have much of an agenda for those two days yet, so I thought I'd bring it up and see if anyone is down to hang out and/or jam. Anyone?
