
FS/FT Teenage Engineering OP-1 (AUS)

Posted by humancertainty - 2013/09/05 02:00

I have an OP-1 in good condition up for sale/trade.

Looking to trade for an Octatrack/MPC1000/any analog gear etc. with cash possibly included.

I also have a SP-404 and APC40 i'm looking to get rid of.
