
FS: (US) Korg Volca Bass and Keys and Korg KA350 Adaptors

Posted by ml692787 - 2013/09/09 05:34

I am looking to sell the volca bass and volca keys. I am open to offers. I purchased the KA350 Adaptors which power these. Everything can be seen in my ebay ad...message me if you are interested. I also am willing to sell the beats if someone wants to purchase all 3 of these together!
