I have a couple things I unfortunately need to sell right now and thought I'd try here before they end up on ebay. Everything is in great shape and all prices include US shipping.

Mutable Instruments Anushri with custom case \$425
Koma Elektronik FT-201 Analog Filter / Sequencer \$250
Bug Brand MicroCrusher Analog Sample Rate Reducer \$175
BugBrand PT Delay 2011 \$375
Teenage Engineering OP-1 Portable Synthesizer w/ most accessories \$700

Contact me for more pictures/questions/offers.

:blush:

I obviously don't know how to use this forum. Sorry for looking like a buffoon.
