## FS Standuino granular sample player and drum machine UK

Posted by darenager - 2013/09/14 00:21

---

Standuino Micro Granny granular sample player and Standuino Frau Angelico drum machine both hardly used, come with boxes and instruction and the Micro Granny has a 2gb card.

These do not come with PSUs but a standard 9v DC one works, see the Standuino site for details.

<http://www.standuino.eu/>

Â£150 for both plus shipping (probably Â£5-10 for tracked) UK, EU/ROW probably Â£12 or so

=====
