A sneak peak of one of the new original pieces from my next album.

Morphology 1.0. is a selection of curiosities, unreleased tracks, and remixes by various artists including fellow label mate Little Birds.

Stay tuned for more information soon on track listing, release date and several new video clips.

10 tracks of venn Diagram Goodness - Morphology 1.0 coming Soon.

The album will have remixes from Honeysmack and Biologik, both prominent members on the EU boards. Many thanks for your contributions and for the very creative spin you gave my tracks.
