
F/S UK - JOMOX MBRANE AND MBASE

Posted by masaski - 2013/07/16 05:41

OK, so i'm upgrading to a Jomox 999 and I need to shift these boxes.

I have;

2 Mbrane 11's and 1 Mbase 11, 2 months old, for sale.

Perfect showroom condition, boxed Â£170 per unit.

I'll chuck in the Shultz Audio editor with the MBranes...

Poor, beautiful analog Jomox machines...all alone here. Need some love and attention. Boxed up ready to go to a loving home.
