Posted by actuel - 2007/11/11 21:29

The MnM Science Lab #04 is a remix focused Lab. The file to be remix is provided by Battery Collection (Joe Melnyk). This original file is a Battery Collection Monomachine only original.

Remixing is an art form unto itself. Take your time and have fun mangling. Joe's track provides an excellent starting point. I have compiled a Lab package [HERE](#), or you can find it by visiting Downloads/Science Labs/MnM Science Lab #04: Remix. The package contains:

Original Sysex

An MP3 of the file submitted

04 Lab rules: Upload the original sysex file, MnM only...no other hardware or vsts can be added, you can use your MnM to remix this file however you want, anything in the MnM goes, and no overdubbing or postproduction. Entries should be at least 1 min. long. Post your MP3 submission here (just click Upload): Downloads/Science Labs/MnM Science Lab #04: Remix.

Lab closes on January 30th. Good luck and mangle away!
