## Acid Hall

Posted by astronout - 2005/08/03 01:34

---

I posted 2 tracks I did over the weekend to my lame .mac website. Someday I'll have a real web page but for now you'll have to download the tracks.

Please let me know what you think.

<http://homepage.mac.com/astronout/FileSharing7.html>

Both tracks use only MonoMachine and Machinedrum

have fun

astronout

I uploaded a track to the Elekton User Radio. Its called 'Acid Hall B'. MD and MnM live 'jam'.

would love to hear some comments.
