I am selling my Elektron Machinedrum SPS-1. It is in used but great condition and has been kept in my clean, smoke-free bedroom. I've listed specs and pics below.

OS 1.20
Rack Mount Kit
Elektron Carry Case
Manual & Original Box

Pic 1, Pic 2, Pic 3

I am asking \$925 and will only accept a money order or PayPal as payment. Unfortunately, I can only ship within the US. Shipping fees are included in the cost.

Please e-mail: jkbrogan gmail.com if interested.
