I am in transition between residences at the moment, and in the middle of massive culture shock as I transition into a NYC resident. I MISS MY GEAR!!! Its all packed up waiting for a place to be set up again... so keep the elektron tunes coming until I can make my own again too!

heres another one

<http://noisy.csbnet.se/~jotsif/filer/Dj%20Meq%20-%20Going%20abroad.mp3>

Made with the MnM and a Vermona.
