
Monomachine SFX-6 for sale

Posted by TheRain - 2005/11/03 16:50

Hi guys,

I'm really sorry to have to do this, but I need to for the money right now. It's in excellent condition with original box and all other original packaging intact. I can tell you that the keys version of the monomachine is worth it! The integration and the lights above the keys really add to the system. Will sell it for \$1600 shipped in the U.S. . I can accept either money order or paypal, whichever you prefer. Toss me an e-mail at collin_meyer@yahoo.com .
