Hello all!

Ok, so i have for sale here a:

Sidstation final 100 (#5) and a
Monomachine SFX-6 keyboard.

both have the original boxes, instructions, US power supplies, and everything else that came with them.

and for those interested i also have:

Minimoog Voyager + cv expander thingie (VX-351?)
Lassence ?Ventury II modular with case
Radikal Spectralis
Resonator Neuronium
Quasimidi Polymorph
AKai MPC 4000
Fostex VF80ex hdd recorder

Im in california, everything im selling has everything it came with when i bought it. Im the original non-smoking owner of all, except the Polymorph. I have pics if you'd like. Make me an offer i cant refuse! hit me up here:
