
keeps logging me out

Posted by jimhesse - 2010/01/21 01:05

is it just me or does this site keep losing the login session....

I stay logged in for months at a time.

3 questions.

1- Are you clicking "Keep Me Logged In"?

2- Do you have cookies enabled?

3- Do you often delete your brosing history? Hiding porn viewing??? :laugh:
