_____

Hey folks!
I have a problem with my MD and saving my own pattern's:S
Every time when I just perss by chance a SONG button my pattern is entirely gone for good????

Any Suggestions?

Must say sometimes I got this problem too, but what can be said here:

1) Don't press SONG button ocasionally anymore
- if pressed you have some seconds before your current BAR hasn't ended yet to press SONG button again, and no lost data will occur
2) Save all your patterns twice
